	Internal use only

Nominal dimensions

We quote nominal dimensions throughout this brochure which are subject to slight variation within internationally accepted standards.

Shade / pattern variation

Shade variation is an inherent feature of Living ceramic tiles. We recommend that tiles are loosely laid out and 'blended' prior to fixing to achieve the most pleasing distribution of shades. Differences between batches can be more marked, for this reason we recommend that you buy all the tiles at one time. No liability for shading issues can be accepted after installation.

Adhesives, grouts and sealing

Always use high quality adhesives and grouts following manufacturers' recommendations for their use and suitability for the type of tile, the application and the substrate being tiled.

Please refer to our Fixing Guide at www.originalstyle.com before commencing any installations as Original Style cannot accept responsibility for any faults after tiles have been fixed. Original Style will not be held liable for any claims regarding the inappropriate use of sealing, adhesives or grouting materials. For technical queries, please contact our technical department at info@originalstyle.com

Large Formats

We do not recommend the use of large format ceramic or porcelain tiles in a 50:50 brick bond pattern installation. The reason for this is that slight curvature in the tile may become noticeable and may not be deemed to be visually acceptable.

Photography

Owing to variations in studio lighting and printing inks, the tile colours shown in the Original Style brochure and website may differ slightly from those of the actual tiles.

Before making your choice it is always advisable to ask your Original Style dealership to show you samples.

Limits of Liability

Original Style Ltd. accepts no liability for the faulty installation of its tiles. In the case of any claim relating to the tiles themselves, Original Style's liability, to the extent permitted by law, is limited to either the replacement of the product or a refund of the cost of the product, and does not extend to cover any consequential loss. Claims must be reported within seven working days from receipt of the tiles. Tiles must be inspected prior to installation and claims cannot be considered after the tiles have been installed. Please be advised that installation constitutes acceptance of the quality, colour, texture, shade and size of tiles.

Original Style Ltd. warrants that its tiles conform to their description and are fit for their purpose. Original Style Ltd. makes no other express or implied warranty as to fitness or suitability of the products for particular installations. We extend no guarantees, express or implied, as to wear resistance or maintenance procedures.

Please note, the use of certain acid based cleaning products may cause some of the tiles to react and change in character. In addition, abrasive cleaners must be avoided as they will scratch the surface of the tiles.

Please note: In the USA please follow the recommendations of reputable product manufacturers in conjunction with the Fixing Guide at www.originalstyle.com

*Remarque : Toutes les dimensions précédentes sont sujettes à une tolérance de ± 2 mm. Les quantités démontrées n'incluent pas les joints entre les carreaux. Nous vous recommandons de prévoir au moins 5% supplémentaires pour les chutes. Nous recommandons un écart pour les joints de 2-3mm	

Usage

Les carreaux Living conviennent aux murs secs et humides internes.

Signification des symboles	
	Murs secs et humides (dont douches et douches italiennes)
	Sols secs uniquement
	Usage intérieur uniquement

Dimensions nominales

Dans cette brochure, les dimensions indiquées sont nominales et sujettes à de légères variations dans les limites des normes internationales admises.

Variations de teinte et de texture

Les nuances de teinte sont une caractéristique inhérente aux carreaux en céramique Living. Avant de fixer les carreaux, nous vous conseillons de les disposer librement pour les assortir et obtenir la meilleure distribution possible de teintes. Les différences peuvent être marquées d'un lot à l'autre. Pour cette raison, nous vous recommandons vivement d'acheter tous les carreaux en une seule fois. Une fois la pose réalisée, tout problème lié aux nuances de teinte ne saurait engager notre responsabilité.

Colles, mortiers pour joint, mastics d'étanchéité

Utilisez systématiquement une colle et un mortier pour joint de haute qualité, en respectant les recommandations des fabricants concernant leur utilisation, leur convenance pour le type de carrelage, leur mode d'application et la surface à carreler.

Consultez notre Guide de fixation sur www.originalstyle.com avant de commencer. La responsabilité d'Original Style ne saurait être engagée en raison de défauts une fois les carreaux posés. Original Style déclinera toute responsabilité en cas de réclamation concernant un usage inadapté d'un mastic d'étanchéité, d'une colle ou d'un mortier pour joint.

Pour tout renseignement de nature technique, contactez notre service technique sur info@originalstyle.com.

Grands formats

Nous déconseillons l'utilisation de carreaux grand format en céramique ou en porcelaine dans les installations aux motifs « mur de brique 50:50 ». En effet, ce type d'installation risque d'accentuer la légère courbure de ces carreaux, ce qui pourrait altérer défavorablement l'effet visuel recherché.

Photographie

En raison des variations au niveau de l'éclairage et des encres d'impression, les couleurs des carreaux présentés dans la brochure et sur le site d'Original Style peuvent différer légèrement de celle des carreaux réels.

Avant de passer commande, il est toujours préférable de demander au revendeur Original Style de vous montrer des échantillons.

Responsabilité

Original Style Ltd. décline toute responsabilité en cas d'installation incorrecte de ses carreaux. En cas de réclamation relative aux carreaux eux-mêmes, la responsabilité d'Original Style sera confinée, dans la limite autorisée par la loi, au remplacement du produit ou au remboursement du prix du produit, et ne couvrira pas les dommages indirects. Toute réclamation doit être effectuée dans les sept jours suivant la réception des carreaux. Les carreaux doivent être inspectés avant leur pose. Aucune réclamation ne sera prise en compte une fois les carreaux posés. Notez que l'installation des carreaux constitue l'acceptation de leur qualité, couleur, texture, teinte et taille.

Original Style Ltd. garantit que ses carreaux sont conformes à leur description et conviennent à l'usage indiqué. Original Style Ltd. ne formule aucune autre garantie expresse ou implicite vis-à-vis de l'adéquation ou de la compatibilité de ses produits dans des installations spécifiques. Nous ne formulons aucune garantie, expresse ou implicite, vis-à-vis de la résistance à l'usure ou des procédures d'entretien.

L'utilisation de certains détergents à base d'acide peut provoquer des réactions sur certains carreaux et en modifier les caractéristiques. Par ailleurs, les nettoyeurs abrasifs rayeraient la surface des carreaux et doivent être évités.

À noter : Aux États-Unis, il est conseillé de suivre les recommandations de fabricants réputés en conjonction avec le Guide de fixation disponible sur www.originalstyle.com

Belangrijke infomatie

Hoeveel tegels heeft u nodig?	
Nominale tegelafmetingen*	Per vierkante meter
300 × 600mm 598 × 298mm	5,6
600 × 600mm	2,8
*Voor alle afmetingen geldt een tolerantiewaarde van ± 2mm. Voegen tussen tegels zijn niet meegerekend in de aangegeven hoeveelheden. Houd rekening met vijf procent snijverlies. Gebaseerd op voegnaden van 2-3mm.	

Geschiktheid

Alle Living tegels zijn geschikt voor wanden in natte en droge ruimtes.

Uitleg voor symbolen	
	Natte en droge wanden (incl. douches)
	Alleen droge vloeren
	Alleen voor binnengebruik

Nominale afmetingen

In deze brochure vermelden we nominale afmetingen. Deze kunnen licht variëren (maar vallen wel binnen de internationaal erkende normen).

Nuances in kleuren/patronen

Kleurnuances zijn bij keramische Living-tegels een inherente eigenschap. We raden u aan om de tegels losjes uit te leggen en te ‘mengen’ voordat u ze bevestigt, om zo de kleurverdeling samen te stellen die u het beste bevalt. Verschillen tussen partijen onderling kunnen opvallender zijn. Daarom raden we u aan om alle tegels tegelykertijd te kopen. Er kan na de installatie geen aansprakelijkheid worden aanvaard voor problemen met kleurnuances.

Lijmen, voegmiddelen en afdichtingen

Gebruik altijd lijm en voegmiddel van hoge kwaliteit. Houd u daarbij aan de aanbevelingen van de fabrikant met betrekking tot het gebruik en de geschiktheid voor een bepaald type tegel, voor het aanbrengen en voor de ondergrond die u betegelt.

Zie onze Installatiegids op www.originalstyle.com voordat u begint aan een installatie; Original Style kan geen aansprakelijkheid aanvaarden voor klachten nadat de tegels zijn bevestigd. Original Style is niet aansprakelijk voor claims die voortvloeien uit een onjuist gebruik van impregneermiddel, lijm of voegmiddel. Neem voor technische vragen contact op met onze technische afdeling via info@originalstyle.com

Grote formaten

We raden af om grote keramische of porseleinen tegels te leggen in een 50:50-halfteensverband. De reden daarvoor is dat er waarneembare lichte krommingen in de tegels kunnen zitten. Het optische resultaat is dan mogelijk niet naar tevredenheid.

Foto's

Door variaties in studiobelichting en drukinkt kunnen de tegelkleuren in de Original Style-brochure en op de website licht afwijken van de kleur van de daadwerkelijke tegels.

Voordat u een keuze maakt, wordt het altijd aangeraden om bij uw Original Style-dealer om monsters te vragen.

Aansprakelijkheidsbeperkingen

Original Style Ltd. is niet aansprakelijk voor de onjuiste installatie van zijn tegels. In het geval van enige claim in verband met de tegels zelf is de wettelijke aansprakelijkheid van Original Style voor zover maximaal is toegestaan op grond van toepasselijk recht beperkt tot het vervangen van het product of het terugbetalen van de kosten van het product. Original Style Ltd. is in geen geval aansprakelijk voor gevolgschade of indirecte schade. Klachten moeten binnen zeven werkdagen na ontvangst van de tegels worden gemeld. De tegels moeten voor installatie worden gecontroleerd en claims worden niet meer in overweging genomen nadat de tegels zijn geïnstalleerd. Door installatie accepteert u de kwaliteit, kleur, maten, textuur en kleurnuances van de tegels.

Original Style Ltd. garandeert dat de tegels voldoen aan hun beschrijving en geschikt zijn voor hun doel. Original Style Ltd. geeft geen andere uitdrukkelijke of impliciete garanties voor de geschiktheid of gepastheid van de producten voor specifieke installaties. We verlenen geen garanties, uitdrukkelijk noch impliciet, voor slijtagebestendigheid of onderhoudsprocedures.

We wijzen u erop dat bepaalde zuurhoudende schoonmaakmiddelen kunnen reageren met sommige tegels en het karakter ervan kunnen wijzigen. Voorkom daarnaast het gebruik van schurende reinigingsmiddelen, omdat deze krassen maken op het oppervlak van de tegels.

Let op: Houd u in de VS aan de aanbevelingen van gerenommeerde fabrikanten, in overeenstemming met de Installatiegids op www.originalstyle.com.
